CARNIVORE CONSTRUCTION ACTIVITY

Choose your favourite carnivore and get creative with some constructions! Choose one (or more) of the following projects.

CARNIVORE CONSTRUCTION

You will need: Paper and Pencils

- 1 Draw a picture of your favourite carnivore.
- 2 Label all the amazing adaptations that make it a successful predator. This could include its teeth, jaws, claws, beak, camouflage, strength or speed.
- 3 Can you make a 3D model of this carnivore using paper?

HABITAT CONSTRUCTION

You will need: Lego

- 1 Think about where your favourite carnivore lives. What type of habitat and environment is it?
- 2 Construct this habitat out of Lego.
- 3 Don't forget to make a model of the carnivore to add to the habitat.

PREY CONSTRUCTION

You will need: Boxes & Pencils

- 1 Think about the prey your favourite carnivore eats.
- 2 Using the cardboard boxes create a model of the animal that the carnivore eats for lunch.
