

Who Am I?

Years K-3

Can you link the Perth Zoo animals that have a similar body covering to the animals in the boxes? We have done the first one for you!

Giraffe

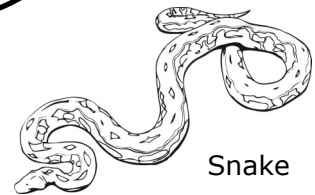

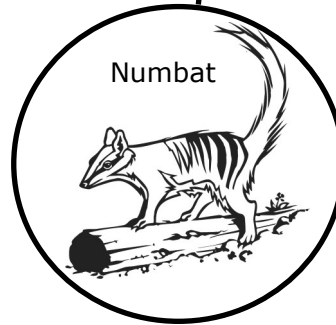

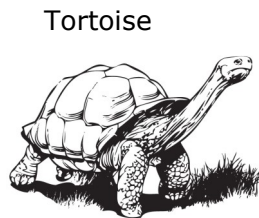

Dingo

Duck

Wombat

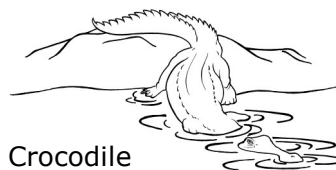

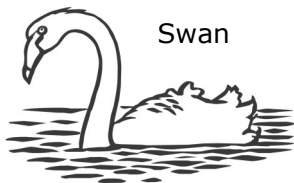

Snake

Cassowary

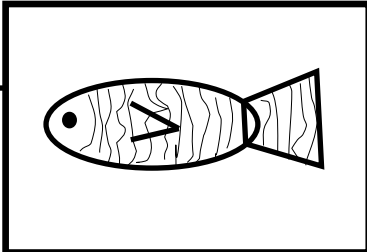

Orangutan

Crocodile

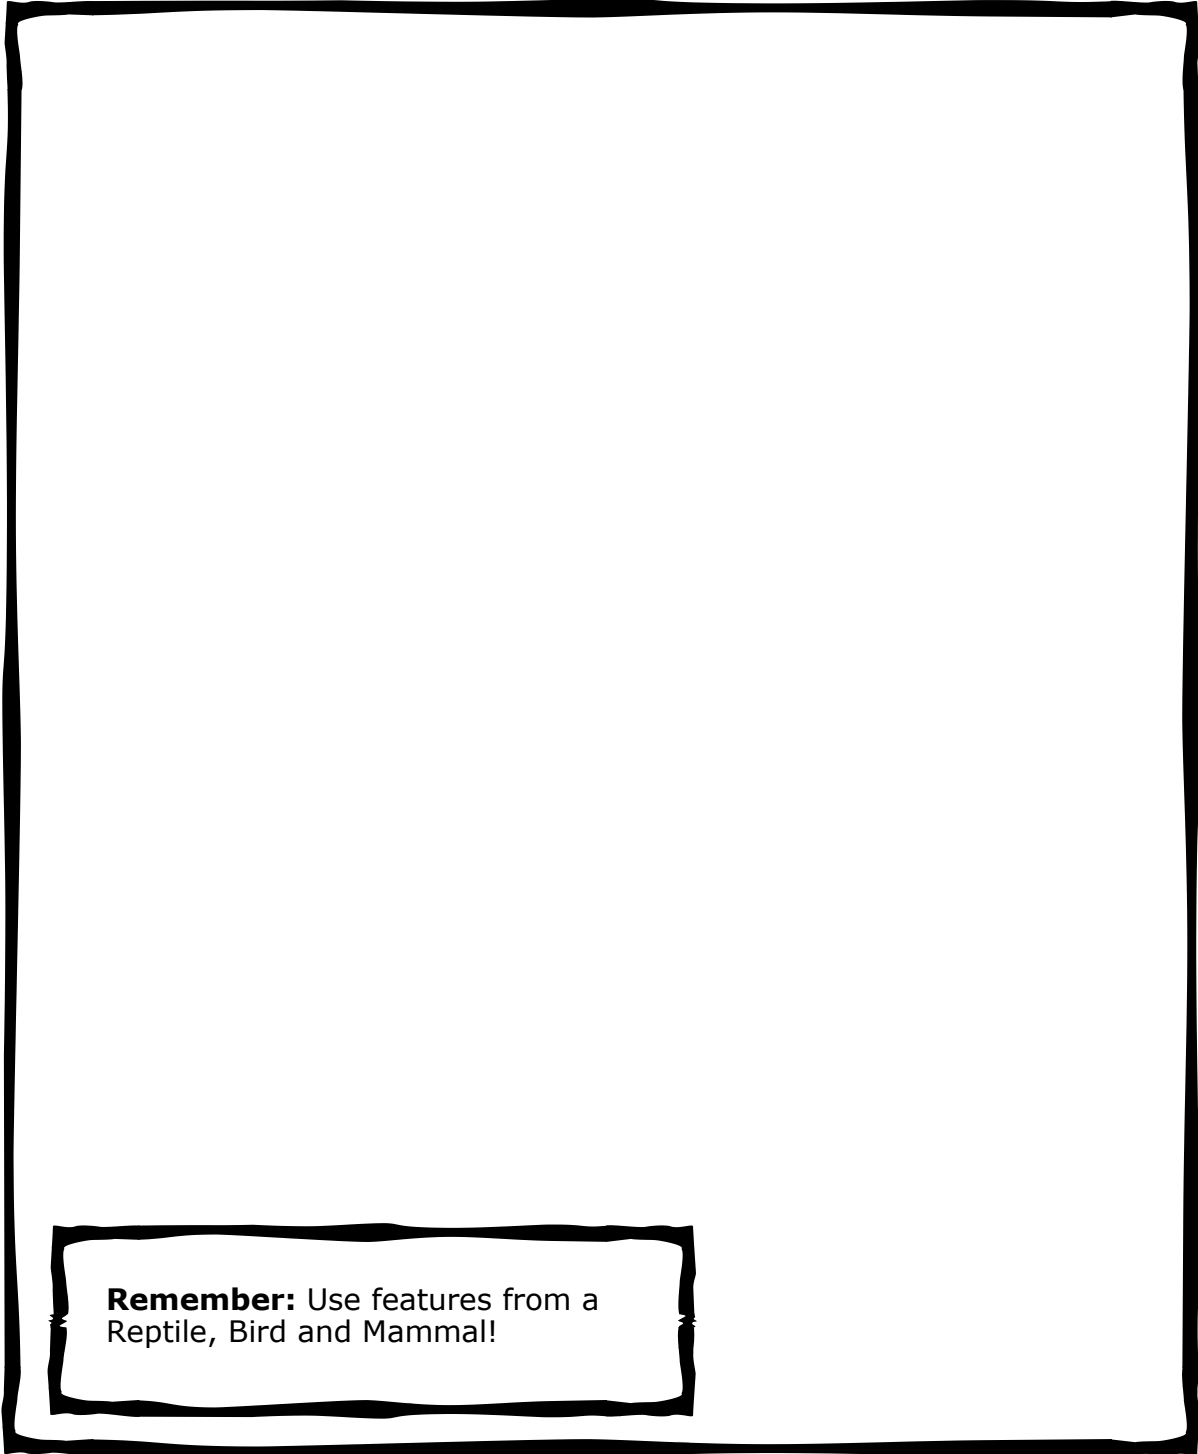

Vertebrates are divided into five different groups. Match each group with its body covering. Find an example of an animal from each group at the Zoo and draw it. We have done the first one for you!

Group	Covering	Example
Fish	Moist skin	
Amphibians	Wet scales	
Reptiles	Dry scales	
Mammals	Feathers	
Birds	Fur, hair or spikes	

CREATE YOUR OWN REPIRDAMMAL

Use features from your favourite animals at the Zoo to draw your own Repirdammal!

Remember: Use features from a Reptile, Bird and Mammal!
