

Perth Zoo Strategic Plan

Vision: A world where diversity of species and habitats is secure

Purpose: Our purpose is to inspire and act for wildlife conservation

We are committed to:

Excellent Animal Care: world leading standards for animals in our care

Excellent Customer Service: the best possible experiences for visitors, colleagues and partners

Collaboration and Partnerships: integrating our efforts and working with others

Innovation and Creativity: supporting and fostering ideas to improve our work

Integrity and Ethical Practice: strong corporate governance; honesty; and openness

Respect: valuing visitors, colleagues and our stakeholders

Environmental Responsibility: minimising the use of finite resources and Perth Zoo's impact on our environment

Social Responsibility: delivering social improvements by connecting people with wildlife and Perth Zoo

Learning and Knowledge: building knowledge through research and professional experience

Our programs reflect our goals

Community Engagement and Awareness

Delivering educational programs and publications, interpretation and information; maximising visits by providing a quality and unique value for money experiences

Wildlife Medicine and Research

Species management, animal welfare and husbandry, captive breeding, support for wildlife conservation, breeding for re-introduction and research

Our strategies are the key to being a world class zoo

1. Maintain engaging animal exhibits, public facilities, gardens, infrastructure and systems to the highest possible standards
2. Provide messages and experiences which inspire visitors to take action to conserve wildlife and build understanding and respect for wildlife
3. Deliver sustainable and ethical practices in our operations, showcasing environmental management and good governance
4. Deliver programs and services which make best use of the funds available and maximise revenue generation for Perth Zoo
5. Ensure the highest possible standards of regional and global species management plans, animal welfare standards and species' conservation
6. Support wildlife conservation projects using the expertise of Perth Zoo staff, community fundraising and partnering
7. Undertake research and teaching to increase understanding of wildlife conservation and the Zoo's operations
8. Undertake breeding programs which directly contribute to species conservation and release to the wild programs
